ASEAN GEOAI FUSION 2026

ASEAN GEOAI FUSION 2026

PRE-ONBOARDING BRIEFING SESSION

BOOTCAMP AND HACKATHON FOR GEOSPATIAL INNOVATION 2026

3 JULY 2026 | 03:30 PM- 04:30 PM (GMT+8) | ZOOM PLATFORM

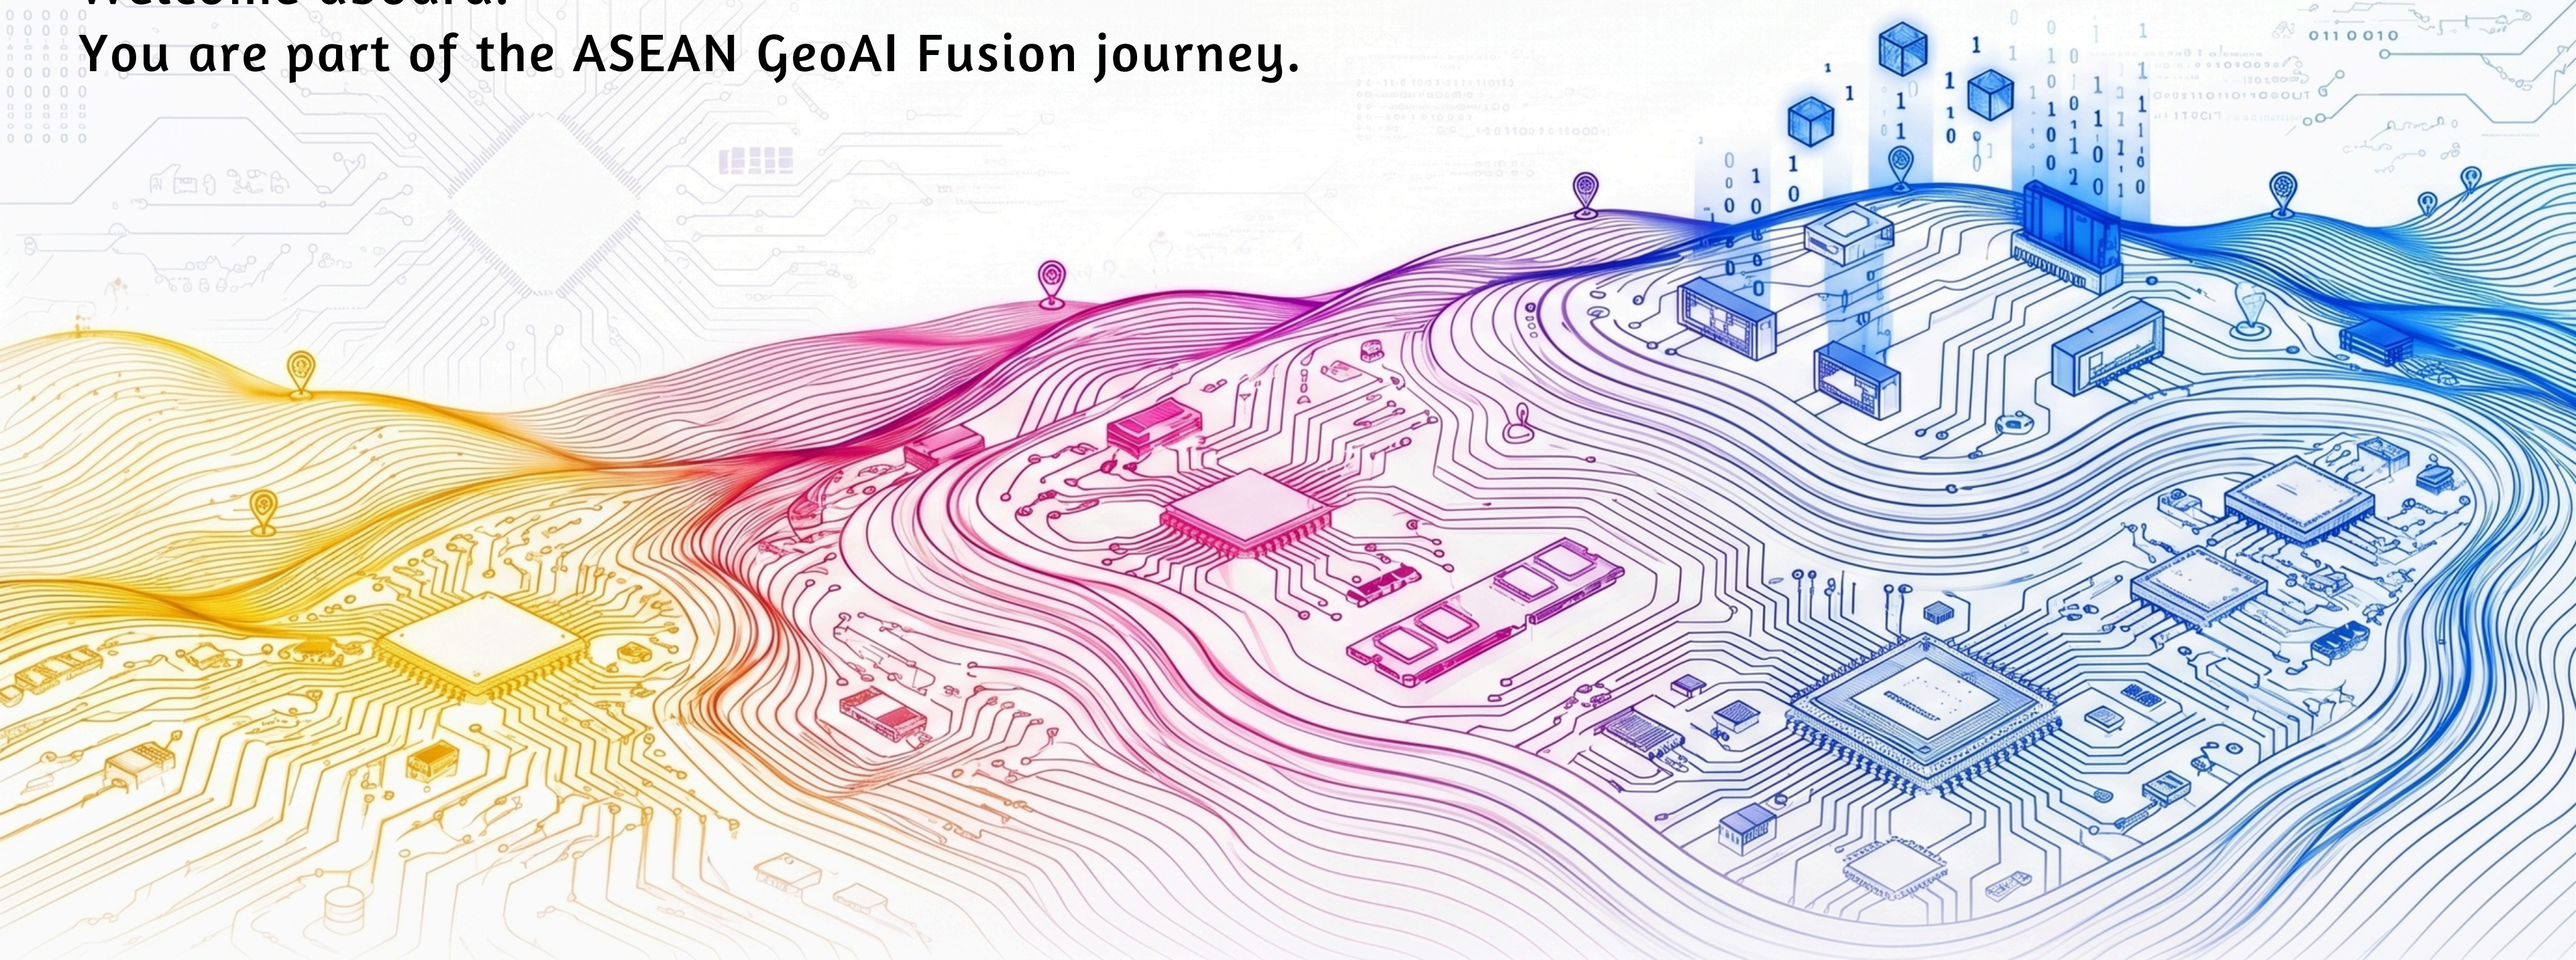
မင်္ဂလာပါ
Salam sejahtera
Bondia Xin chào ສະບາຍດີ
Hello Kumusta สวัสดี
ជំរាបសួរ Halo
asean
MCMC
ASEAN
GEOAI FUSION 2026

ASEAN
GEOAI FUSION 2026

SECTION 1

YOU BELONG HERE

Welcome aboard.
You are part of the ASEAN GeoAI Fusion journey.



WELCOME TO ASEAN GEOAI FUSION 2026

You are in the right place.

Today is not a technical class yet. **Today is your map.**
By the end of this session, you will know where to access the programme, how to prepare for Bootcamp 1, what happens after the bootcamps, and how to get support.

This session will answer:

1. Am I officially confirmed?
2. Where do I go next?
3. How do I prepare for Bootcamp 1?
4. What happens after the bootcamps?
5. How do I get help if something goes wrong?

Today's Agenda

03:30 PM | Welcome & you are confirmed

03:35 PM | Who is joining us today

03:45 PM | Your full journey

03:55 PM | Your digital toolkit

04:10 PM | Bootcamp 1 preview & pathways

04:20 PM | Support, housekeeping & Q&A

04:30 PM | End of Pre-Onboarding

*All timings indicated are based on GMT+8.

ASEAN GEOAI FUSION 2026

YES — YOU ARE OFFICIALLY CONFIRMED

Your registration for ASEAN GeoAI Fusion 2026 is confirmed.
You have a unique reference code. Find it in your registration confirmation email.

Your Reference Code

Format: [AMS]-[number]
Example: VN-042 or MY-705
Use it in every email to the Secretariat.
It is how we identify you quickly.
Find it in your registration email

AMS : ASEAN Member State
BN Brunei · KH Cambodia · ID Indonesia ·
LA Lao PDR · MY Malaysia · MM Myanmar ·
PH Philippines · SG Singapore · TH Thailand ·
TL Timor-Leste · VN Viet Nam

Learn ▪ Build ▪ Innovate

Type	Component
LEARNING	Bootcamp 1 (7–9 Jul)
LEARNING	Bootcamp 2 (21–23 Jul)
BUIDLING	Hackathon (12–13 Aug)
SHOWACASING	Physical Finale in Malaysia

Start with the core learning journey.
After Bootcamp 2, you may choose to continue into the hackathon track. The Physical Finale is by selection for finalist teams.

Quick Answers

Is it free?

Yes. No fees at any stage.

Do I need GIS experience?

No. Bootcamp 1 starts from zero.

What if I miss a session?

Recordings will be available on CollabHub.

Is today mandatory?

No. Recording will be available.

Certificate eligibility is based on attendance and completion requirements. Full criteria will be published on CollabHub.

ASEAN GEOAI FUSION 2026

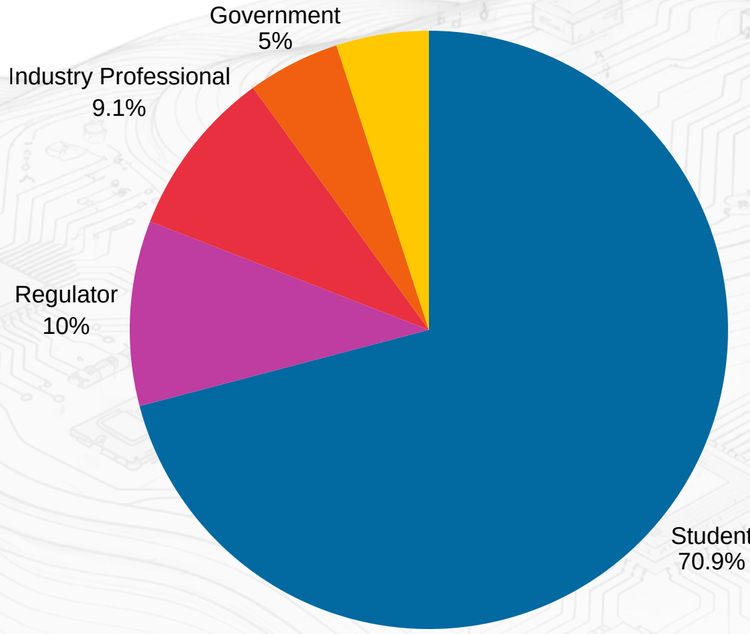
WHO IS JOINING THE JOURNEY

A regional cohort of learners, builders and practitioners from across ASEAN.

1,067	5	9,912	5,191	357%
Registered Participants	Challenge Themes	Portal Visits	Unique Visitors	Target Achieved

REGIONAL PARTICIPATION SNAPSHOT

PARTICIPANT PROFILE BY ROLE



Key insight

A strong student-led cohort, supported by regulators, industry, government and researchers, creates a balanced community for learning, prototyping and regional collaboration.

Country distribution based on registration data as of 3 July 2026.

YOUR COMPLETE JOURNEY

From onboarding to learning, prototyping, showcasing and sustaining ASEAN GeoAI collaboration.

ONBOARD

Phase 0

Pre Onboarding

Readiness

3 Jul 2026

Programme orientation, platform walkthrough, access guidance and Bootcamp 1 preparation.

LEARN

Phase 1

Virtual Bootcamp 1

Foundation

7-9 Jul 2026

GIS fundamentals, earth observation, intro ML and Python for geospatial analysis.

ADVANCE

Phase 2

Virtual Bootcamp 2

Advanced

21-23 Jul 2026

Advanced GeoAI, data fusion, cloud workflows and prototype preparation.

BUILD & PITCH

Phase 3

Virtual Hackathon

Ideation

12-13 Aug 2026

Team-based ideation or prototype development, mentor check-ins, 5-min pitching, finalist selection.

SHOWCASE

Phase 4

Physical Hackathon

Finale

19-22 Sep 2026

Finalist refinement, public showcase, judging, awards in Malaysia

SUSTAIN

Phase 5

Post-Event Delivery

Knowledge Hub

Sep-Nov 2026

Knowledge Hub, final report, publications, lessons learned, and programme closure.

ACTIVATE

MCMC CollabHub

ASEAN GeoAI Platform

Access your dashboard, materials, recordings and Zoom links.

~4 Jul 2026

CHOOSE PATHWAY

Submit Pathway Interest Form

Choose Bootcamp-Only Track or Hackathon Track.

15-31 Jul 2026

FOCUS NOW

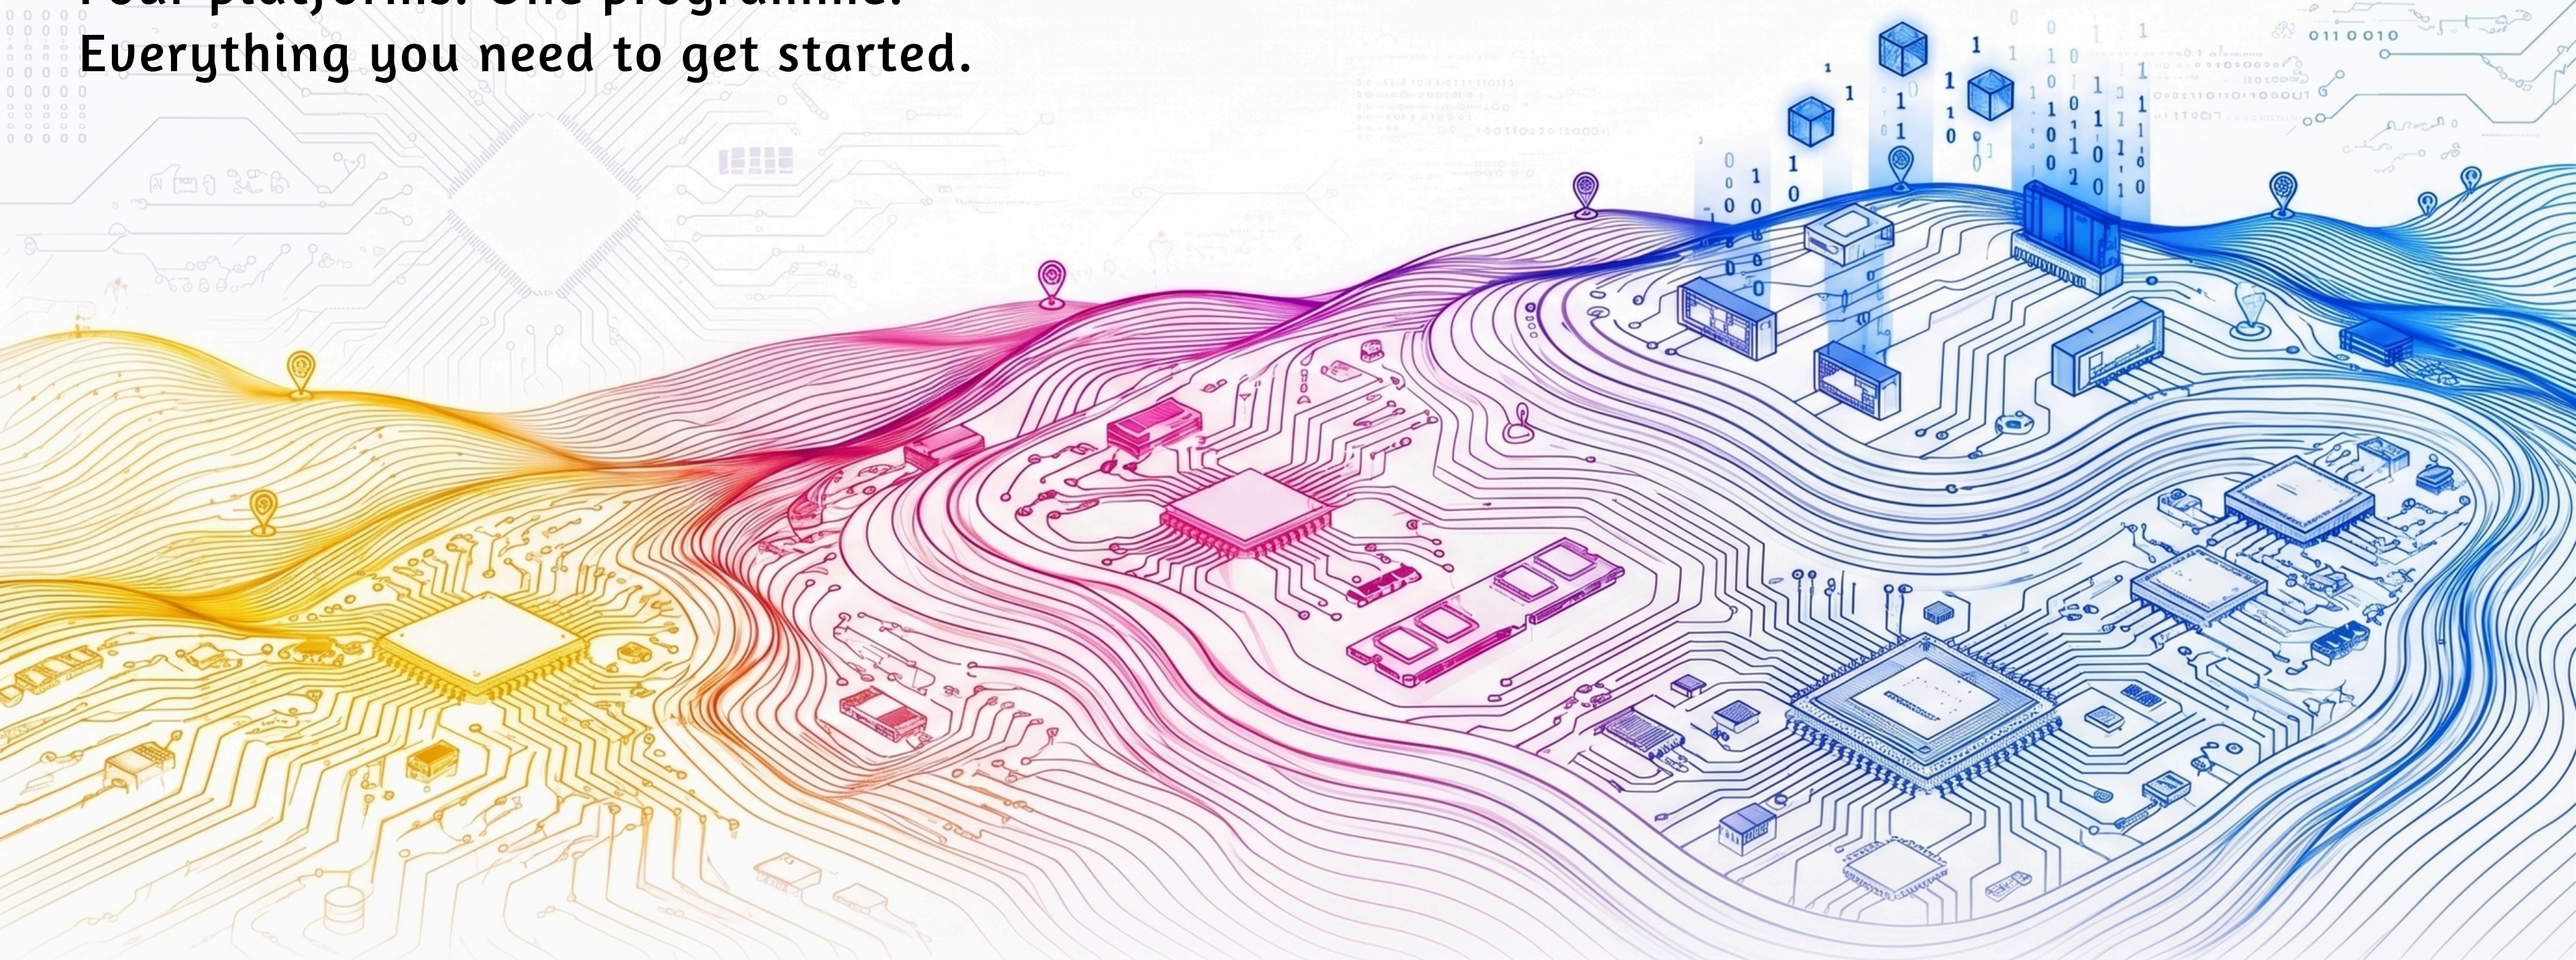
- **Activate** CollabHub by using the link sent around 4 July.
- **Join** Bootcamp 1 on 7 July, 8:30 AM GMT+8.

ASEAN
GEOAI FUSION 2026

SECTION 2

THIS IS HOW YOU JOIN

Four platforms. One programme.
Everything you need to get started.



ASEAN GEOAI FUSION 2026

FOUR PLATFORMS, ONE PROGRAMME

Portal = info & registration. CollabHub = learning. Zoom = classroom. Telegram = community.

AGAIF Portal

agaif.mcmc.gov.my

WEBSITE

Your **public event and registration portal.**
Used for initial registration, event information and participant reference details.

- Programme info, themes, timeline, prizes & FAQ
- Public updates, partners, contact details & registration

MCMC CollabHub

geoai-collabhub.com

CollabHub
ASEAN GeoAI Platform

Your **learning and hackathon workspace**. Dashboard, Learning, Session Recordings, Discussion Forum, Team Formation, Project Submission and Knowledge Hub all live here.

Action required: Activation link arriving ≈4 July. Activate within 72 hours.

Zoom

zoom

Your **live classroom**. All virtual sessions — onboarding, bootcamps and hackathon — happen here.

- Join bootcamp sessions (~5 hrs/day) from 7 July. Subject to change, the max hours per day may upto 8 hours (Refer Programme Agenda
- Attend Q&A and discussions
- Join hackathon pitching later, if applicable, during 12–13 Aug

Telegram

Telegram

Your **real-time community channel**. Quick updates, peer networking, session reminders and informal support.

- Receive real-time programme updates
- Connect with participants across ASEAN
- Quick questions between sessions
- Formal requests still go to **agaif@mcmc.gov.my**

Important: AGAIF Portal and CollabHub are separate systems. You will receive a CollabHub Activation Email. Click the link to complete your first-time login and activate your CollabHub account.

COLLABHUB AT A GLANCE

geoai-collabhub.com · Your learning and hackathon workspace

CollabHub
ASEAN GeoAI Platform

★ OVERVIEW · START HERE

Dashboard

Your home screen. Start here before every session for announcements, upcoming sessions and Zoom join links from 7 July.

★ LEARNING · START HERE

Learning

All bootcamp materials, including slides, lab files and datasets. Materials unlock at 8:30 AM GMT+8 before each session.

★ RESOURCES · START HERE

Session Recordings

Session recordings will be published here after each session.

RESOURCES

Discussion Forum

Peer discussion boards by topic and by day. Ask learning questions, share findings and connect across ASEAN.

LATER: HACKATHON SECTIONS OPEN FROM 15 JUL

Team Formation · My Team · Project Submission

Three-step hackathon workspace. Browse and invite participants, manage your team, and upload your prototype. Teams may have **2 to 3 members**.

RESOURCES

Programme Resources · Knowledge Hub

Participant guide, FAQ, reference materials. Knowledge Hub opens October 2026 with reusable ASEAN GeoAI assets.

CODE · FILES (HACKATHON)

Repositories · Teams · My Files

Collaborative code spaces for the hackathon build phase. Personal file storage and team-shared documents.

★ SYSTEM · START HERE

Settings

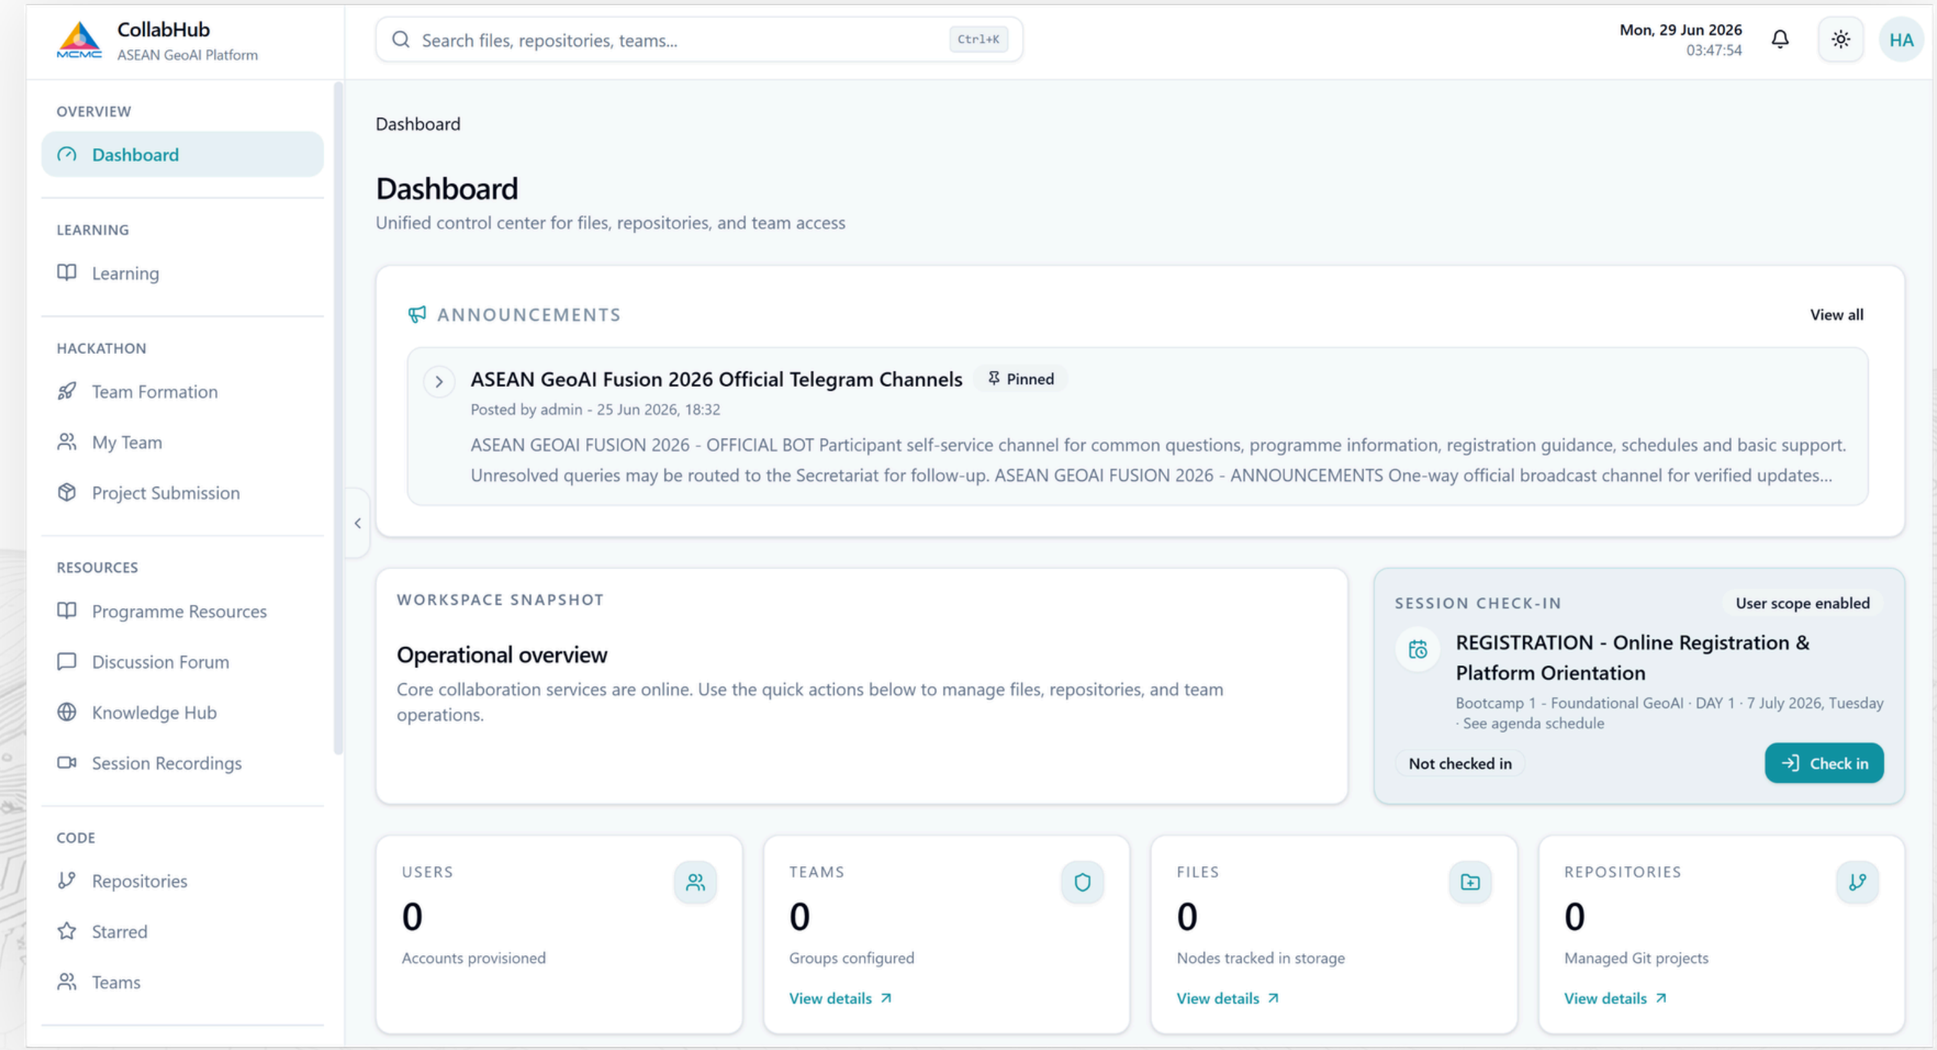
Verify your display name and email match your AGAIF Portal registration — enables accurate attendance tracking.

FOCUS NOW : Dashboard · Learning · Session Recordings · Settings — Hackathon sections will be used from 15 July onwards, after the Pathway Interest Form opens.

COLLABHUB AT A GLANCE

geoai-collabhub.com · Your learning and hackathon workspace

CollabHub
ASEAN GeoAI Platform



ZOOM ACCESS & ATTENDANCE TRACKING

How to join correctly — and why it matters.

Use the same email address

Join Zoom using the same email address used for your AGAIF registration. This allows attendance to be matched to your profile.

Link via CollabHub

Zoom links will be available on your CollabHub Dashboard before each session from Bootcamp 1 onwards.

zoom

ZOOM DISPLAY NAME FORMAT

MY-705 | Ali Mustaffa

Attendance will be tracked

Attendance is recorded through Zoom logs and platform records. Attendance will support certificate eligibility.

Do not share access links

Zoom links and CollabHub activation links are personalised. Sharing them violates programme terms.

Set your Zoom display name

Format: **RefCode | Full Name**
Example: MY-705 | Ali Mustaffa

Join 10 minutes early

Bootcamp rooms open before 8:30 AM GMT+8. Use the first 10 minutes to test audio, video and connection.

Camera and bandwidth tips

Use a laptop or desktop where possible. Turn camera off if bandwidth is low. Keep mic muted unless speaking.

OFFICIAL TELEGRAM CHANNELS

Use these channels for support, verified updates and participant community engagement.

OFFICIAL BOT

https://t.me/agaif_2026_bot

Participant self-service channel for common questions, programme information, registration guidance, schedules and basic support. Unresolved queries may be routed to the Secretariat for follow-up.

ANNOUNCEMENT

https://t.me/+lxruZL1BZE04NjU9

One-way official broadcast channel for verified updates from the Secretariat, including important dates, session links, reminders, deadlines and official instructions.

COMMUNITY HUB

https://t.me/+a7iaRn4OOBw0Y2JI

Two-way engagement space for participants to interact, ask general questions, share ideas, network, and support team formation or collaboration during the programme.

ASEAN GEOAI FUSION 2026

GETTING READY FOR **BOOTCAMP 1**

Foundation Track · From first concepts to practical readiness

Core labs are planned to run via browser-based tools. Any additional setup will be announced in advance by the Secretariat.

7 to 9 Jul 2026
Begins 8:30 AM GMT+8

What you need

Laptop or desktop computer
Not only a mobile phone — you need a full keyboard for labs

Stable internet connection
Minimum 10 Mbps. Use ethernet if possible for stability

MCMC CollabHub Account activated
Activate your CollabHub account when the email arrives around 4 July.

Zoom installed
Download latest version at zoom.us/download before 7 July

What the trainers will cover

DAY 1 — **GeoAI, Ethics & GIS foundations**
GeoAI Innovator · Responsible AI · GIS fundamentals · Earth Observation

DAY 2 — **Machine Learning & Python for GeoAI**
ML fundamentals · GeoPandas · Rasterio · Folium · Data preparation

DAY 3 — **Telecom GeoAI Use Cases**
Coverage mapping · Infrastructure planning · Underserved communities · ASEAN case study

No prior GIS or Python experience required. All labs are beginner-friendly. Trainer and assistant trainer support available throughout.

SECTION 2 · THIS IS HOW YOU JOIN

ASEAN GEOAI FUSION 2026

GETTING READY FOR **BOOTCAMP 2**

Advanced Track · From foundation skills to prototype readiness

Bootcamp 2 builds on Bootcamp 1. Participants will move from foundation concepts into advanced GeoAI workflows, cloud-based tools and prototype preparation.

21 to 23 Jul 2026
Begins 8:30 AM GMT+8

What you need

Bootcamp 1 materials reviewed
Review the recordings, slides and lab materials before Bootcamp 2.

Laptop or desktop computer
A full keyboard is recommended for coding, labs and cloud-based workflows.

Stable internet connection
Use a reliable connection for live demonstrations and cloud tools

MCMC CollabHub Account activated
Access Zoom links, learning materials, recordings and pathway updates.

Zoom installed
Download latest version at zoom.us/download before 7 July

What the trainers will cover

DAY 1 — **Google Earth Engine & ML Classification**
GEE interface · JavaScript basics · Image collections · Band math · LULC classification

DAY 2 — **Data Fusion & Scalable GeoAI Workflows**
Multi-source data · Network and geospatial data · Cloud platforms · Time-series analysis

DAY 3 — **Network Optimisation & Hackathon Readiness**
Forecasting · AI optimisation · Model deployment · Challenge review · End-to-end pipeline

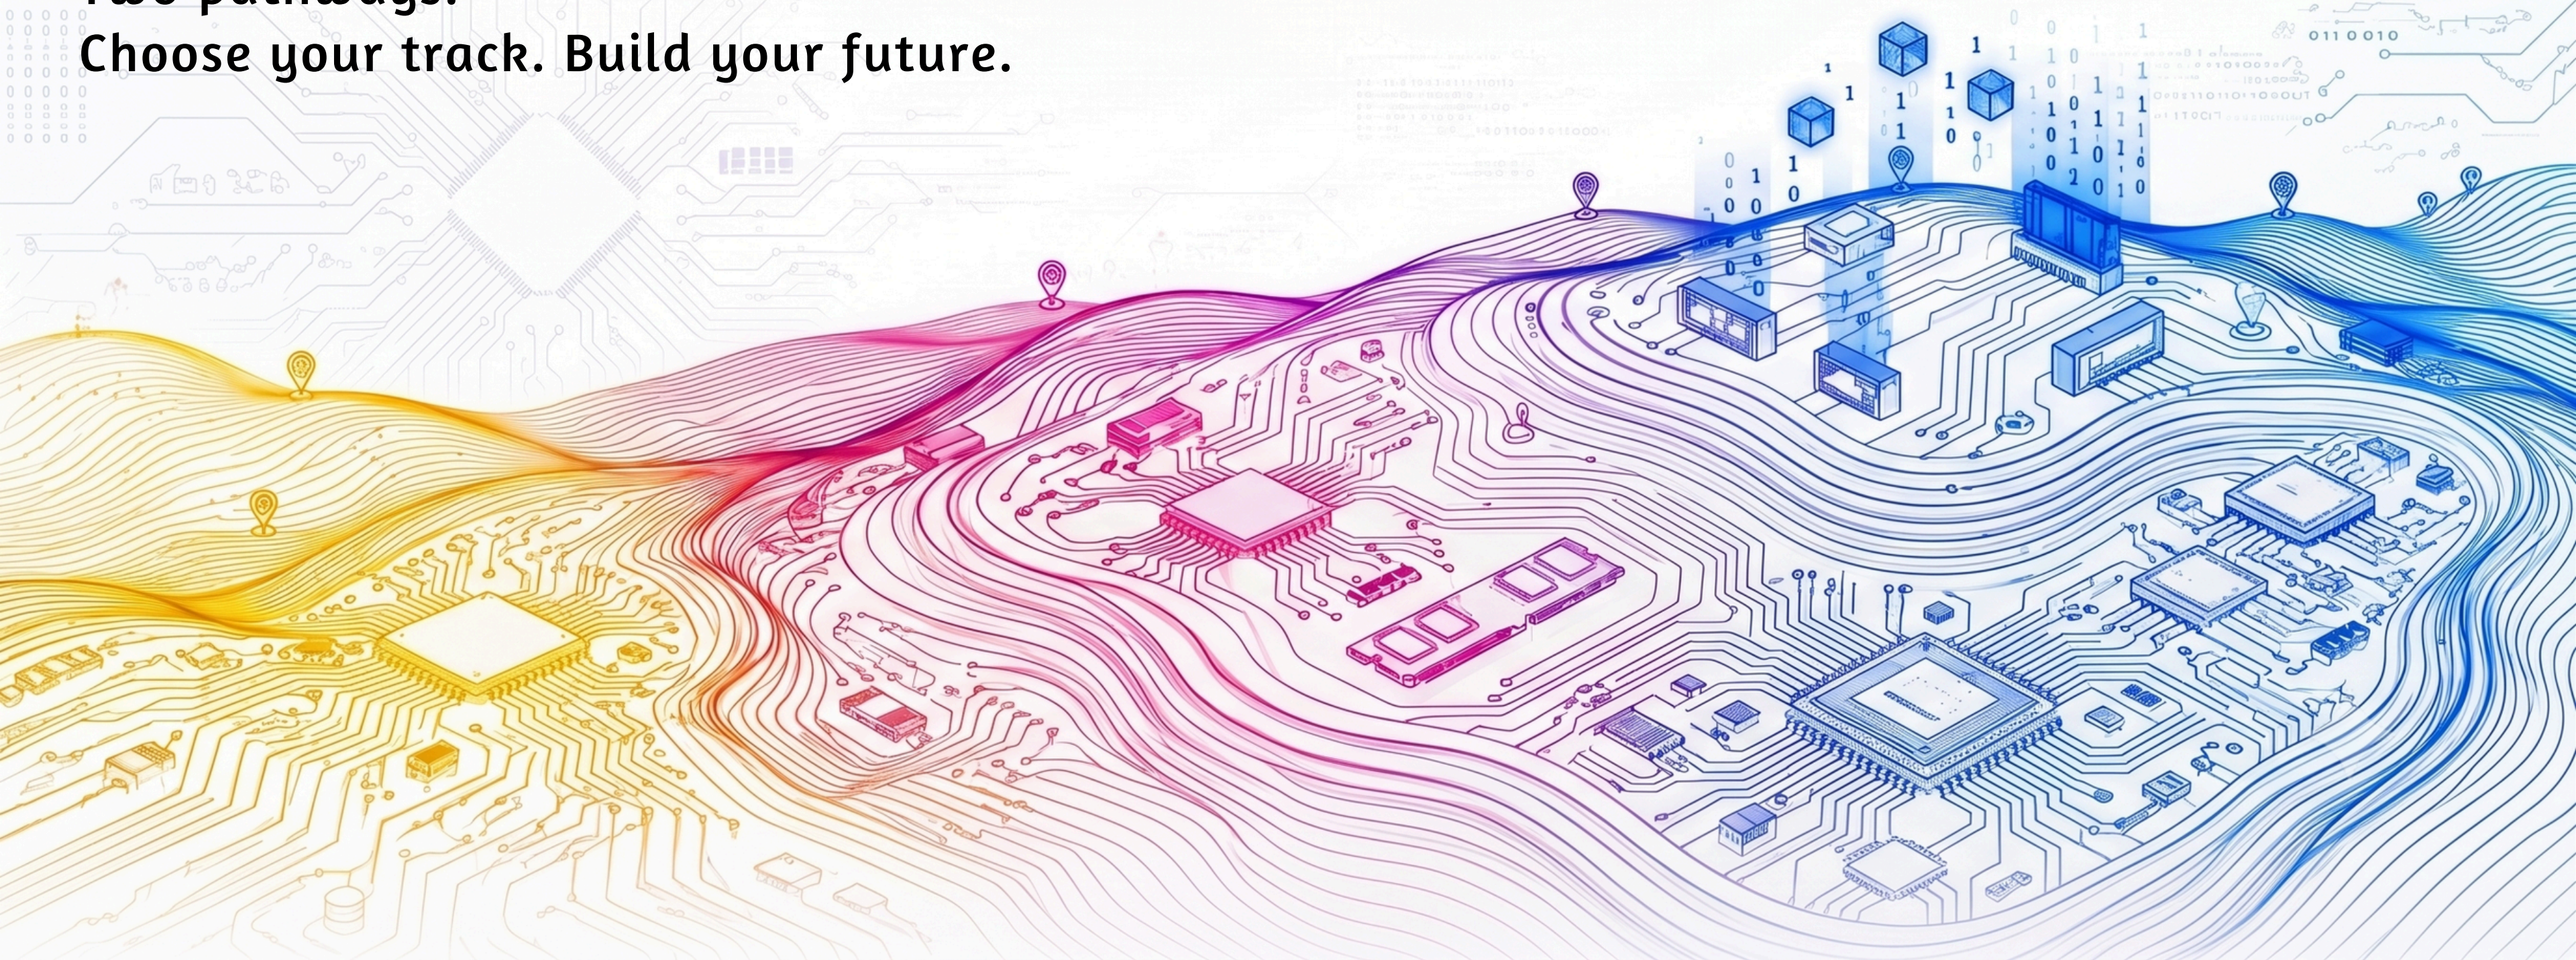
Bootcamp 2 is guided advanced learning. You do not need to be an expert, but you should review Bootcamp 1 materials, keep your CollabHub account active and be ready for hands-on labs.

ASEAN
GEOAI FUSION 2026

SECTION 3

THIS IS WHAT COMES NEXT

Two pathways.
Choose your track. Build your future.



YOUR TWO PATHWAYS AFTER BOOTCAMPS

Both are full, valued outcomes. You choose during the pathway window.

LEARN	ADVANCE	BUILD & PITCH	SHOWCASE
Phase 1	Phase 2	Phase 3	Phase 4
Virtual Bootcamp 1	Virtual Bootcamp 2	Virtual Hackathon	Physical Hackathon
Foundation	Advanced	Ideation	Finale
7-9 Jul 2026	21-23 Jul 2026	12-13 Aug 2026	19-22 Sep 2026

Bootcamp-Only Track

- Complete both bootcamps → Pathway Interest Form→ Receive completion certificate.
- Full CollabHub access retained — all recordings, slides, datasets and Knowledge Hub remain available.

You earn:

- MCMC digital certificate of completion
- Access to Learning, Session Recordings & datasets
- Access to ASEAN GeoAI Knowledge Hub
- Regional community network of 1,059+ practitioners

Hackathon Track

- Complete both bootcamps → Submit Pathway Interest Form → Form a 3-person team → Build a GeoAI prototype → Pitch to judges → Compete for prizes from the USD 15,000 prize pool.

You earn (in addition to above):

- End-to-end GeoAI prototype development
- Expert mentor support during virtual hackathon
- 5-minute live pitch to regional judging panel
- Opportunity to be selected for the Physical Finale in Malaysia

You do not need to decide now. The Interest Form opens 15 July. Focus on Bootcamp 1 first.

WHAT THE HACKATHON IS ABOUT

Five challenge themes connecting telecommunications, geospatial intelligence and AI.

Telecommunications Challenge Domain

	Efficiency	Innovation	Connectivity	Sustainability	Security
What it means	Improve telecom operations and service delivery through spatial analytics.	Advance network planning and maintenance through geospatial intelligence.	Improve coverage and customer experience through location intelligence.	Support sustainable and resilient infrastructure planning.	Strengthen network resilience, threat mapping and risk visibility.
Example use cases	Workflow automation · Field force optimisation · Operational dashboards · Asset mapping.	Site selection · Predictive maintenance · Infrastructure intelligence · Network expansion.	Coverage gaps · Underserved areas · Demand analysis · Population coverage.	Environmental risk · Satellite imagery · Disaster resilience · Green infrastructure.	Asset vulnerability· Incident response · Threat detection · Risk dashboards.

Teams **may select one or more themes** during hackathon setup. Detailed challenge briefs and datasets will be provided on CollabHub.

HACKATHON TEAM FORMATION

Team formation will open after the Pathway Interest Form opens, from 15 July onwards.

Team rules

2–3 members per team
Minimum 2, maximum 3 members.

All members must be from the **same registered country**

One team per participant — you cannot join two teams

- Three (3) ways to form a team : **Create** · **Accept invite** · **Join matching pool**
- All teams must be **approved by the Secretariat**

Challenge themes recap

Efficiency · Innovation · Connectivity · Sustainability · Security

AI & Originality

- Your solution must be your team's own work.
- AI tools may be used for assistance.
- Submissions must be original and should not duplicate an existing market-ready product.
- Dataset licensing and IP details will be provided in the challenge brief on CollabHub.

Prize & Finale

USD 15,000

Total prize pool
Prizes will be awarded to top-performing teams based on the final judging results.

Physical Finale · Kuala Lumpur, Malaysia
19–22 September 2026

KUALA LUMPUR MALAYSIA

- **Finalist teams selected during the Virtual Hackathon** phase will present their solutions in person during the Physical Finale showcase and judging session.
- **Funded Finalist** — Travel support, accommodation and logistics provided, subject to eligibility and official confirmation.
- **One (1) finalist team per ASEAN Member State** will receive support, subject to official selection and confirmation.

WHAT YOU WALK AWAY WITH

Every participant earns something. The further you go, the more you gain.

PHASE 1	PHASE 2	PHASE 3	PHASE 4	PHASE 5
VIRTUAL BOOTCAMP 1	VIRTUAL BOOTCAMP 2	VIRTUAL HACKATHON	PHYSICAL HACKATHON	TOP 3 PRIZE WINNER
Foundation	Advanced	Ideation	Finale	Finale
7-9 Jul 2026	21-23 Jul 2026	12-13 Aug 2026	19-22 Sep 2026	19-22 Sep 2026

ALL BOOTCAMP COMPLETERS

BOOTCAMP 1 and/or 2

- Access to Learning materials & Session Recordings
- Knowledge Hub — opens Oct 2026
- Regional ASEAN GeoAI network — 1,059+ members
- Eligible for **MCMC AGAIF Certificate of Participation**

HACKATHON PARTICIPANTS

UP TO VIRTUAL HACKATHON

- End-to-end GeoAI prototype development
- Expert mentor support & technical coaching
- Live 5-min pitch to regional judging panel
- Team profile in ASEAN GeoAI programme record
- Eligible for **GeoAI Explorer (GAIex)** certificate

FINALIST TEAMS

SELECTED TO PHYSICAL HACKATHON

- Invitation to Physical Hackathon Finale in KL
- Travel allowance, accommodation & logistics
- Public showcase to ASEAN stakeholders
- Eligible for **Associate GeoAI Innovator (AGAI)** certificate

PRIZE WINNERS

TOP 3 PRIZE WINNERS

- Cash prize from USD **15,000** prize pool
- Feature in programme report & white paper
- Post-event incubation, pilot & collaboration opportunities
- Community of practice membership
- Eligible for **Certified GeoAI Innovator (CGAI)** certificate

Certificate eligibility based on attendance and completion requirements. Full criteria will be published on CollabHub.

SUPPORT, HOUSEKEEPING & ETIQUETTE

Where to get help, how to participate and what to expect during live sessions.

How to get support

agaif@mcmc.gov.my
For all formal enquiries. Always quote your reference code.
Target response: within 2 working days.

Telegram group — community channel
Quick updates and peer interaction.

Telegram

CollabHub Discussion Forum
Responses to unanswered session questions will be posted within 48 hours, where applicable.

CollabHub
ASEAN GeoAI Platform

Participation etiquette

- Use Zoom chat to submit questions during Q&A
- Display name: RefCode | Full Name
- Keep microphone muted when not speaking
- Use a laptop or desktop where possible
- All sessions will be conducted in English
- Respect participants from all ASEAN Member States

Recording & consent

- This session is being recorded
- Recordings will be published on CollabHub under Resources → Session Recordings
- All bootcamp sessions recorded and available on CollabHub
- By participating, you acknowledge that the session may be recorded for programme purposes.

Session times across ASEAN

Timezone	Countries	Local Time
UTC+6:30	Myanmar	7:00 AM
UTC+7:00	Cambodia · Lao PDR · Thailand · Viet Nam · Jakarta	7:30 AM
UTC+8:00	Brunei · Malaysia · Philippines · Singapore	8:30 AM
UTC+9:00	Timor-Leste	9:30 AM

YOUR ACTION CHECKLIST

Three actions. In this order.

1 Activate your CollabHub account

CollabHub
ASEAN GeoAI Platform

On ≈4 July

- Watch for an email from the Secretariat arriving around 4 July.
- Click the personalised activation link within **72 hours**. If expired, write to agaif@mcmc.gov.my with your reference code.
- CollabHub is your gateway to everything — Zoom links, materials, recordings, announcements, team formation and your certificate.

2 Monitor your inbox & Telegram

Telegram

From 4 July

- Watch for official emails from agaif@mcmc.gov.my.
- Join the AGAIF Telegram group when the link is shared. Check your CollabHub Dashboard regularly.
- Always quote your reference code in every email to the Secretariat.

3 Attend Bootcamp 1 ready to learn

7 July, 8:30 AM (GMT+8)

- Log into CollabHub → go to Dashboard for your Zoom join link.
- Set your Zoom display name as: **RefCode | Full Name** . Find session materials under Learning.
- Bootcamp 1 starts from zero. Core labs are planned to run via browser-based tools, no additional lab software installation is expected

SECTION 3 · THIS IS WHAT COMES NEXT

Q&A OPEN FLOOR

Ask your questions now. Any unanswered items will be captured for follow-up.

zoom **Use the Zoom chat** to type your question at any time during this block.

CollabHub
ASEAN GeoAI Platform

All unanswered questions will be compiled and posted to the CollabHub Discussion Forum (Resources → Discussion Forum) within 48 hours.

For follow-up queries: agaif@mcmc.gov.my — always quote your reference code.

Target response: within 2 working days.
