INITIATIVE OVERVIEW

SOLVING REGIONAL CHALLENGES WITH AI

ASEAN cities are expanding rapidly, putting infrastructure, connectivity, and public services under pressure. ASEAN GeoAI Fusion closes the skills gap with focused training, practical prototyping, and region-wide collaboration.

2 Sessions
BOOTCAMP TO ADVANCED AI

11 States
OPEN ACROSS ASEAN

10+ Builds
REAL-WORLD PROTOTYPES

Hybrid Format
VIRTUAL AND PHYSICAL FINALE

KNOWLEDGE EXCHANGE

GEOAI FOR POLICY AND OPERATIONS

deployable public and industry solutions.

COMPETITION PILLARS

HACKATHON THEMES

All submissions must address a challenge within the **telecommunications domain**. The themes below represent suggested focus areas — participants are encouraged to explore beyond these categories, provided their solution remains relevant to the telecommunications sector.

OE

II

ASEAN GEOAI FUSION 2026

Streamline internal processes using spatial intelligence, inspired by predictive maintenance and operational visibility pilots.

Support dynamic network optimization, infrastructure planning, and more resilient service delivery across growth corridors.

CE

CONSUMER EMPOWERMENT

Use mobility and usage patterns to improve public experience, traffic flow, and last-mile digital access.

ESG

ENVIRONMENTAL, SOCIAL, AND GOVERNANCE

Build solutions for disaster resilience, connectivity in remote areas, and smarter climate-aware infrastructure planning.

CY

CYBERSECURITY

Protect geospatial assets, critical infrastructure, and sovereign data pipelines that underpin national and regional systems.

SUBMIT YOUR INNOVATION

Join the bootcamp, form a team, and prototype a high-impact solution for ASEAN-scale problems.

REGISTRATION CLOSED

PROGRAM SCHEDULE

PROGRAM TIMELINE

ASEAN GEOAI FUSION 2026

Open registration for all ASEAN participants. Form your team, declare your country, and secure your place in the programme.

Foundational sessions covering GeoAI concepts, spatial data tools, and telecommunications use cases to equip teams for the challenge ahead.

21 JULY 2026 - 23 JULY 2026

BOOTCAMP 2

Advanced workshops with mentors, deep-dives into challenge themes, and prototype ideation to sharpen your solution strategy.

12 AUGUST 2026 - 13 AUGUST 2026

VIRTUAL HACKATHON

Remote sprint where teams build, refine, and present their GeoAI prototypes through online pitching and judging rounds.

19 SEPTEMBER 2026 - 22 SEPTEMBER 2026

PHYSICAL HACKATHON

The flagship in-person challenge event featuring live demonstrations, prototype reviews, and final judging sessions across ASEAN.

REWARDS

PRIZES & AWARDS

ASEAN GEOAI FUSION 2026

1ST PLACE WINNER

USD 5,000

PER TEAM

- ✓ Champion Trophy
- ✓ Certificate of Excellence
- ✓ Feature in MCMC Showcase

2ND PLACE WINNER

USD 3,000

PER TEAM

- ✓ Runner-up Trophy
- ✓ Certificate of Excellence
- ✓ Feature in MCMC Showcase

3RD PLACE WINNER

USD 2,000

PER TEAM

- ✓ Merit Trophy
- ✓ Certificate of Excellence
- ✓ Feature in MCMC Showcase

CONSOLATION PRIZE ×2

USD 1,000

PER TEAM

- ✓ Certificate of Achievement
- ✓ Feature in MCMC Showcase

** All participants will receive a Certificate of Participation upon successful submission for the Virtual Hackathon round.*
